Re: 3:18-cv-2036-E; *Premier Electronics, LLC v. ADT, LLC*

Dear Ms. Mitchell:

I hereby voluntarily recuse myself from the above styled and numbered case. No motion to recuse has been filed. I volunteered to recuse myself based on my past position as Commissioner for the Texas Department of Public Safety (DPS). I was the liaison for the board which regulates the private security profession in Texas. The private security profession DPS monitors includes armed and unarmed security guards, personal protection officers, private investigators, alarm systems installers and monitors, armored car couriers, electronic access control device installers, and locksmiths. DPS regulates the private security profession under the authority of the Texas Occupations Code, Chapter 1702 and the related administrative rules. Because this case involves alarm systems, and to avoid the appearance of impropriety, I hereby recuse myself from presiding over this case.

Please see that it is assigned to another judge per the usual procedure.

Sincerely,
